How did you hear about me?

The following list of issues can be associated with energy flow in you, your home or business and also with the surrounding yard. Feng Shui, Dowsing, Hexagrams, and/or EFT can be used to mitigate all of these situations. Give this some thought as you consider this list.

Put an X before any issue you have. Put two XX if it's urgent or serious for you

Issues not mentioned above:

Have you seen a therapist for these or any other issues, and if so, when?

Do you have any medical condition(s) of which I need to be aware (related to above answers)

Please answer the following questions: (Feel free to use more space than shown)

1. What is one positive goal you would like to achieve?

2. How would your life be different if/when we handle all of your issues?
